

Decklar Resources Inc. Announces up to \$15 million Unit Offering

TORONTO, CANADA April 13, 2021 -- **Decklar Resources Inc. (DKL-TSX Venture)** (the “Company” or “Decklar”) announces that it is proposing to complete a non-brokered financing to raise gross proceeds of up to \$15,000,000 by way of a unit offering (the “Offering”) at a price of \$1.00 per unit (a “Unit”), with each Unit consisting of one common share of Decklar (a “Common Share”) and one-half common share purchase warrant (each whole warrant, a “Warrant”). Each Warrant will entitle the holder thereof to acquire one Common Share at an exercise price of \$1.50 per Common Share for a period of 12 months from the closing date of the Offering. Decklar has engaged Echelon Wealth Partners Inc. (“Echelon”) as strategic financial advisor in connection with the Offering. Decklar will pay a finder’s fee to Echelon (and certain other arm’s length third parties) based upon the gross proceeds of the Offering received by the Company from investors referred by Echelon (and such other arm’s length parties) and will also pay Echelon an additional fee for strategic advisory advice based upon the aggregate gross proceeds of the Offering.

Funds raised by this planned Offering will be used to pursue new oil and gas development opportunities in Nigeria and for general corporate purposes.

The Offering is subject to approval by the TSX Venture Exchange.

Cautionary Language

Certain statements made and information contained herein constitute "forward-looking information" (within the meaning of applicable Canadian securities legislation). All statements in this news release, other than statements of historical facts, are forward-looking statements. Such statements and information (together, "forward looking statements") relate to future events or the Company's future performance, business prospects or opportunities.

All statements other than statements of historical fact may be forward-looking statements. Any statements that express or involve discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions or future events or performance (often, but not always, using words or phrases such as "seek", "anticipate", "plan", "continue", "estimate", "expect", "may", "will", "project", "predict", "potential", "targeting", "intend", "could", "might", "should", "believe" and similar expressions) are not statements of historical fact and may be "forward-looking statements". Forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause actual results or events to differ materially from those anticipated in such forward-looking statements. The Company believes that the expectations reflected in those forward-looking statements are reasonable, but no assurance can be given that these expectations will prove to be correct and such forward-looking statements should not be unduly relied upon. The Company does not intend, and does not assume any obligation, to update these forward-looking statements, except as required by applicable laws. These forward-looking statements involve risks and uncertainties relating to, among other things, changes in oil prices, results of exploration and development activities, uninsured risks, regulatory changes, defects in title, availability of materials and equipment, timeliness of government or other regulatory approvals, actual performance of facilities, availability of financing on reasonable terms, availability of third party service providers, equipment and processes relative to specifications and expectations and unanticipated environmental impacts

on operations. Actual results may differ materially from those expressed or implied by such forward-looking statements.

The Company provides no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements. The Company does not assume the obligation to revise or update these forward-looking statements after the date of this document or to revise them to reflect the occurrence of future unanticipated events, except as may be required under applicable securities laws.
